

**CERTIFICATE
OF
FINANCIAL IMPLICATIONS**

(Made under S.76 of the Public Finance Management Act, 2015)

THIS IS TO CERTIFY that The National Curriculum Development Centre (Amendment) Bill, 2024 has been examined and I wish to report as follows:

a) That the Bill has the following objectives:

The intention of the Bill, therefore, is to amend or repeal several Acts of Parliament to:

- i) facilitate efficient and effective service delivery by clearly delineating the mandates and functions of National Curriculum Development Centre, thereby avoiding duplication of mandates and functions;
- ii) promote coordinated administrative arrangements, policies and procedures for: ensuring the efficient and successful management, financial accounting and budgetary discipline of National Curriculum Development Centre, enabling the Centre to play its proper role more effectively; and enforcing accountability; and
- iii) to restructure and re-organise the National Curriculum Development Centre by eliminating bloated structures and functional ambiguities in Government agencies and departments.

b) That it is expected to achieve the following major outputs:

- i) The National Curriculum Development Centre Act, Cap. 135 amended to empower the National Curriculum Development Centre to initiate new syllabuses, to revise existing ones, to carry out curriculum reform, research, testing and evaluation, and to bring up-to-date and improve syllabuses for primary teachers' colleges.

c) Funding and budgetary implications

They are no related costs to implementation of the National Curriculum Development Centre (Amendment) Bill, 2024.

d) Expected savings and/or Revenue to Government:

Given that, the amendment is budget neutral, and aims to empower National Curriculum Development Centre in the execution of its mandate.

e) Impact on the Economy

The Bill is expected to incorporate the latest research, technology, and teaching methodologies into the curriculum, students are better prepared for the modern workplace which will enhance the country's competitiveness and innovation capacity, fostering increase in Uganda's GDP hence economic growth.

Submitted under my hand this 27th day of March, 2024.
