

**CERTIFICATE
OF
FINANCIAL IMPLICATIONS**

(Made under S.76 of the Public Finance and Management Act, 2015)

THIS IS TO CERTIFY that the Cabinet Memorandum on The Electricity Amendment Bill, 2021 has been reviewed.

I wish to report as follows:

a) That the Memorandum has the following Objective;

To seek approval by Parliament for the Electricity Amendment Bill, 2021.

b) Objectives of the Bill include:

- **To remove inconsistencies in the law;**
- **To introduce flexibility in the implementation of the Electricity Law;**
- **To streamline the operations of the Sector;**
- **To improve efficiency in service delivery.**

c) Planned Expenditure over the MTEF period:

- **There are no planned direct annual expenditures from the Medium-Term Expenditure Framework of the Ministry of Energy and Mineral Development and therefore there are no additional financial implications to Government of Uganda.**

Mission

“To formulate sound economic policies, maximize revenue mobilization, ensure efficient allocation and accountability for public resources so as to achieve the most rapid and sustainable economic growth and development”

d) Funding and Budgetary implications:

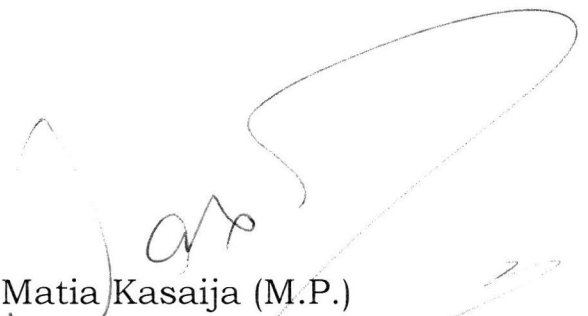

The implementation of the Electricity Amendment Bill, 2021 will be catered for using resources available to the Electricity Regulatory Authority.

The Authority's main revenues come from the generation licenses, permits and other non-tax revenues.

e) Expected savings and/or Revenue to Government:

- **There are no direct revenues but Government will directly benefit from a well streamlined sector and improved service delivery in the electricity industry.**

Submitted to Parliament under my hand this 4th day of January 2022.
