OF
FINANCIAL IMPLICATIONS**

(Made under Section 76 of the Public Finance Management Act,
2015)

THIS IS TO CERTIFY that the **THE CONSTITUTIONAL (AMENDMENT) BILL 2021** has been examined for financial implications as required under Section 76 of the Public Finance Management Act 2015 (as amended).

I wish to report as follows:

a) Objectives of the amendment

The Bill seeks to amend the Third Schedule of the Constitution of the Republic of Uganda to recognize the Maragoli, Bahaya, Sabot, Bakingwe, and Mososhek as indigenous communities in Uganda.

b) The Expected Outputs from implementing the amendments

The Maragoli, Bahaya, Sabot, Bakingwe and Mososhek communities will become indigenous communities in Uganda, and will enjoy full benefits and rights as Ugandan natives. The total number of indigenous communities of Uganda that are recognised by the Constitution as at 1st February 1926, will therefore increase from 56 to 61.

c) Funding and budgetary implications

There are no foreseeable additional funding requirements to the Government arising from the proposed Constitutional amendment.

d) Expected savings and/or revenue to Government

There are no expected revenues or savings to the Government arising from the proposed amendments.
