The Chairman,  
Legal & Parliamentary Affairs Committee,  
Parliament of Uganda,  
Kampala.

Dear Sir,

**RE: REQUEST TO GIVE INPUT ON THE ANTI-PORNOGRAPHY BILL**

On behalf of the parents of the Uganda National Parents Network [UNPN] a program of Family Life Network [FLN] we request for an opportunity to make a presentation to the Parliamentary Select Committee on Legal and Parliamentary Affairs on the Anti-Pornography Bill.

FLN is a Ugandan organization that is working to bring about the restoration of family values and morals in our nation.

Since its inception in 2002, FLN has been carrying out sensitizations to different population groups and youth in institutions and communities. Over this period, FLN has through its outreach program reached over 350,000 youth and has counseled tens of thousands of them. One of the topics that FLN has been sensitizing the public about is pornography. FLN has gained tremendous insight and firsthand experience on the impact of pornography on individuals, marriages, families, communities and the nation.

We would therefore appreciate if you could give us the opportunity to give our input to your esteemed committee so that the committee can make a more informed decision on this important bill.

We await your valued response.

Yours sincerely,
