

**REPORT OF THE SECTORAL COMMITTEE ON TOURISM, TRADE AND
INDUSTRY ON THE UGANDA WILDLIFE CONSERVATION EDUCATION
CENTER ACT (REPEAL) BILL, 2024.**

Office of the Clerk to Parliament
Parliament of Uganda
KAMPALA

April, 2024

[Handwritten signatures and initials]

1.0 INTRODUCTION

Rt. Hon. Speaker and Hon. Members,

The Uganda Wildlife Conservation Education Center Act (Repeal) Bill, 2024 was read for the First Time on Tuesday, 9 April 2024; and in accordance with Rule 129(1) of the Rules of Procedure of the 11th Parliament of the Republic of Uganda, was referred to the Sectoral Committee on Tourism, Trade and Industry for scrutiny.

The Committee scrutinized the Bill in accordance with Rule 129(2) of the Rules of Procedure and hereby reports to this House in accordance with Rule 130(2) of the same Rules.

2.0 BACKGROUND TO RATIONALISATION OF GOVERNMENT AGENCIES AND PUBLIC EXPENDITURE: THE UGANDA WILDLIFE CONSERVATION EDUCATION CENTER ACT (REPEAL) BILL, 2024.

On 22nd February, 2021, Cabinet took a decision to merge, mainstream and rationalize Government Agencies and Public Expenditure, to facilitate efficient and effective service delivery. This decision followed the 2018 Report by the Ministry of Public Service that detailed findings and recommendations of the review of Government Agencies and Authorities. The primary goals of Rationalization of Government Agencies was to establish their operational relevance; determine their current operational costs; eliminate embedded duplications and overlaps; identify wasteful expenditures; and establish the resultant short term and long term savings, which would be optimally utilized for sustainable socio-economic and political development of the country.

In the early 2,000s Government of Uganda witnessed an increase in the number of self-accounting government institutions: commissions, authorities and agencies, that were created through parliament's key function of legislation. The creation of these self-

autonomous government institutions through Acts of Parliament bestowed on policy/governance and management structures specified in such Acts, key responsibilities of formulation of strategic policies and direction as well as implementation of policies. The Acts of Parliament that created self-autonomous government institutions make specific provisions for cost drivers of such institutions, being Boards, accounting officers and their staff; and further make specific provisions relating to their sources of funds being through parliamentary appropriation, and fees and monies charged by such institutions for goods sold or services rendered. The funds allocated to self-accounting institutions through parliamentary appropriation to finance their activities suggested an annual charge on the Consolidated Fund.

Whereas the Acts of Parliament that created self-autonomous government institutions mandated Ministers to have direct control and oversight over their strategic policy direction through appointment of Boards and the accounting officers, most self-accounting government institutions executed their mandate independent of their Ministry Headquarters.

This Report will focus findings, observations and recommendations on the repeal of the Uganda Wildlife Conservation Education Center Act 2015; and to give effect to the proposed merger of the Uganda Wildlife Authority (UWA) and the Uganda Wildlife Conservation Education Centre (UWEC).

3.0 POLICY AND PRINCIPLES OF THE BILL

The policy behind the Bill is to give effect to the Government Policy for Rationalisation of Government Agencies and Public Expenditure (RAPEX) which was adopted by Cabinet on 22nd February 2021.

4.0 DEFECTS IN EXISTING LAWS.

The Constitution establishes a definite number of Government agencies, including constitutional commissions, authorities, boards, local councils and other statutory bodies. These were established to perform certain specified constitutional functions. Over the years, however, there has been a proliferation of agencies established by Acts of Parliament, Executive Orders and administrative arrangements. Whereas most of the agencies are necessary due to the critical nature of the functions they perform, Government has established that a certain limited number of agencies were established without consideration to the aspects of institutional harmony, functional duplications, overlaps and affordability. Government has also established that some agencies have served the purpose for which they were established. The mandate of a few other agencies has been overtaken by events. Such events need to be rationalized.

More importantly, the proliferation of agencies has created mandate overlaps and jurisdictional ambiguities among the agencies. Additionally, the high cost of administering the agencies has drained the national treasury at the expense of effective service delivery. This has overstretched the capacity of Government to sustain them. Government has also established that the generous salary structures of the agencies has created salary disparities between employees of the agencies and public officers in the traditional civil service leading to demotivation of human resources in the mainstream public service.

5.0 OBJECT OF THE BILL.

The intention of the Bill is to repeal the Uganda Wildlife Conservation Education Centre Act, 2015, to enable the merger between Uganda Wildlife Conservation Education Centre and the Uganda Wildlife Authority in order to give effect to Government Policy for Rationalisation of Government Agencies and Public Expenditure (RAPEX).

The bottom of the page features several handwritten signatures and initials in black ink. From left to right, there is a large signature that appears to be 'P. K.', followed by 'GMR' and 'J.P.'. In the center, there is a signature that looks like 'N. K.' with a small number '4' written below it. To the right of this is another signature that is partially obscured and looks like 'S. K.'. Further right is a signature that looks like 'J. K.' with a large arrow pointing to the right above it. At the bottom right, there are the initials 'PEM'.

6.0 METHODOLOGY

During the process of considering the Bill, the Committee:

- (a) met and held discussions with the following stakeholders:
 - (i) The Hon. Minister of Tourism, Wildlife and Antiquities;
 - (ii) The Hon. Minister of Public Service;
 - (iii) The Executive Director and Staff of Uganda Wildlife Authority (UWA); and
 - (iv) The Executive Director and Staff of Uganda Wildlife Education Centre (UWEC);

- (b) conducted documentary review of the following literature:
 - (i) The Constitution of the Republic of Uganda, 1995 (*as amended*)
 - (ii) The Wildlife Act, 2019;
 - (iii) The Uganda Wildlife Conservation Education Center Act, 2015; and
 - (iv) The 2018 Report of the Ministry of Public Service on the Review and Rationalisation of Government Agencies and Public Expenditures.

7.0 FINDINGS/OBSERVATIONS AND RECOMMENDATIONS

7.1 Uganda Wildlife Conservation Education Center

The Uganda Wildlife Conservation Education Centre was established by the Uganda Wildlife Conservation Education Centre Act 2015, to promote conservation and sustainable development of Wildlife resources through wildlife Conservation Education and Wildlife breeding.

Observations of the Committee

In one of the meetings of the Committee to consider RAPEX Bills, the Executive Director and Staff of Uganda Wildlife Center (UWEC) were in support of the proposed merger of UWEC with Uganda Wildlife Authority (UWA); and that the Ministry of Tourism,

Handwritten signatures and initials at the bottom of the page, including names like 'Michael', 'D', 'PEM', and 'JMP'.

Wildlife and Antiquities had taken steps to harmonise the relationship between the two Government Agencies. The Committee was only left to solemnize the proposed ‘marriage’ of the two Government Agencies.

Cost Benefit Analysis

	FY 2024/25	FY 2025/26
Category	UGX (Billion)	UGX (Billion)
Costs	1.334	0
Staff to be laid off	64	0
o/w Terminal benefits	1.334	0
Savings	16.5	16.5
o/w Wage	3.944	3.944
o/w Board expenses	0.2	0.2
o/w Nonwage	12.356	12.356
o/w Development	0	0
Net Savings	15.166	16.5

From the foregoing, Government will generate net savings amounting to UGX 15.166 billion in the FY 2024/2025. This will increase to UGX 16.6 billion in FY 2025/26. The net savings generated outweigh the expenditure on terminal benefits for laid off staff amounting to UGX 1.334 billion.

The Committee observes the proposed merger will improve on efficiency as communication between the two Agencies will be easier, and monitoring and evaluation will be more sustainable.

Further the Committee observes that the proposed merger will enable centralized control over wildlife activities and putting in place standardized policies and procedures. The Committee also observes that the merger of the two Agencies would facilitate effective and efficient service delivery by avoiding duplication of mandates and functions.

Handwritten signatures and initials are present at the bottom of the page, including:

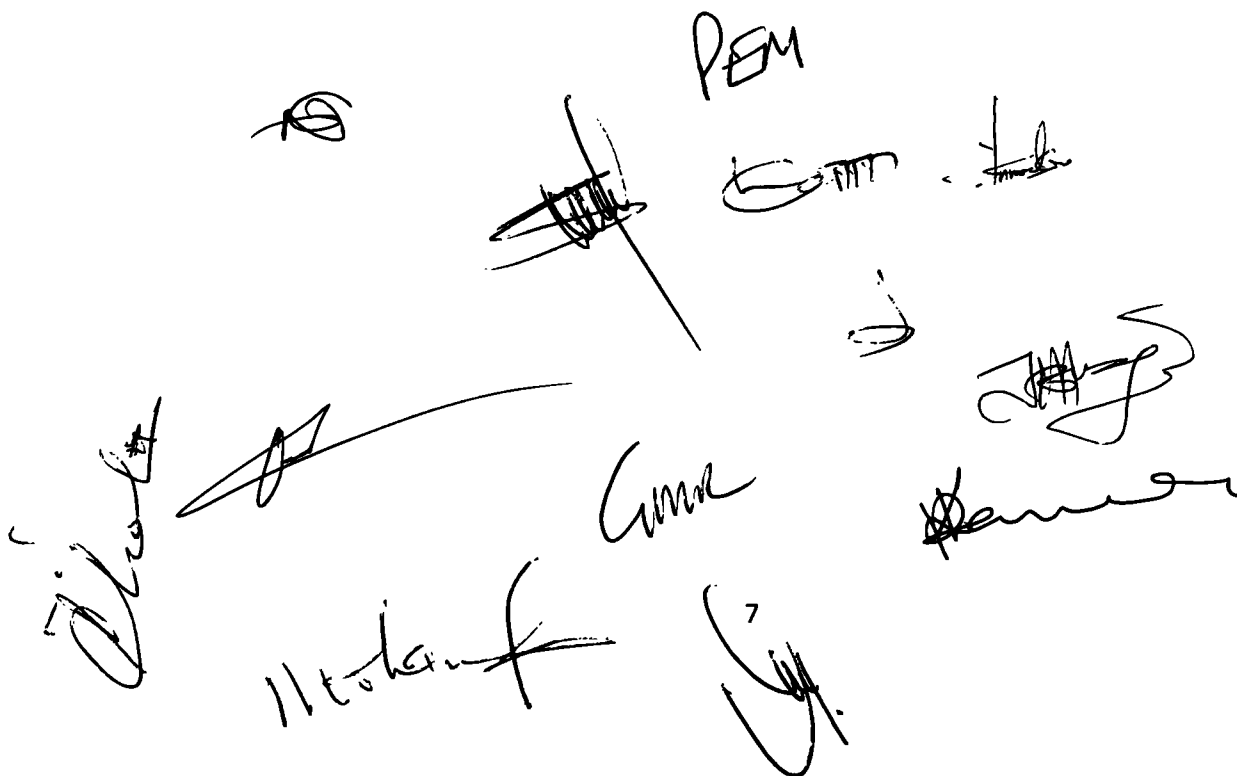

- Top left: A large signature with a checkmark.
- Below it: "GMR" and "11/12/24".
- Center: "6" and "PEM".
- Right side: "Eom", "J.P.", and other illegible signatures.
- Bottom right: "Kamele".

7.0 RECOMMENDATION OF THE COMMITTEE

The Committee recommends that the Uganda Wildlife Conservation Education Center Act, 2015 be repealed in order to give effect to the Government Policy on Rationalisation of Government Agencies and Public Expenditure and for related matters.

Rt. Hon. Speaker and Members,

I beg to submit.
