Bill No. 34

National Sports Bill

2021

THE NATIONAL SPORTS BILL, 2021

MEMORANDUM

1. Principles of the Bill.

The object of the Bill is to repeal the National Council of Sports, Cap 48; to consolidate and modernize the law relating to the incorporation and registration of national sports organisations and community sports clubs; to provide for the management, promotion, development and regulation of professional, amateur and recreational sports in the Uganda; to streamline the recreation, registration and management national sports organisations and community sports clubs; to codify the obligations of the State under international sports governing statutes; to prohibit match fixing, corruption, illegal manipulation and illegal betting in sports; encourage and promote drug-free sports; and to provide for related matters.

2. Gaps in existing Laws

Uganda has embraced a number of sports disciplines including football, baseball, cricket, tennis, Archery golf, swimming, cycling, boxing, Netball, golf, lawn tennis, handball, hockey, wood ball, motor sport, kayak, rugby, weightlifting, tackwondo, volley Ball and athletics and Uganda is recognized the world over as a sports loving country.

Each sports discipline is organised and regulated by a national sports association including Uganda Athletics Federation, Uganda Archery Federation, Uganda Badminton Association, Federation of Uganda Basketball Association, Uganda Netball Federation, Uganda Boxing Federation, Uganda Canoe/Kayak Federation, Federation Of Motor Sports Clubs Of Uganda, Uganda Cycling Association, Uganda Lawn Tennis Association, Uganda Taekwondo Federation Uganda Volleyball Federation Uganda Weightlifting Federation Uganda Wrestling Federation, Uganda Shooting Federation, Uganda Hockey Federation, Uganda Handball Federation, and Federation of Uganda Football Association, which are all affiliated to their respective international sports governing body.

The above national sports associations and federations are all incorporated and registered under various laws, including the Trustees Incorporation Act Cap 165, National Council for Sports Act, Cap 48, the Companies Act, 2010, the Partnerships Act, 2010 and the Non-Governmental Organisations Act, 2016.

The lack of uniformity in the registration and incorporation of national sports associations and federations has resulted in governance and administration challenges including, lack of legal personality, multiple reporting and regulatory legal regimes, forum shopping by sports clubs and national sports associations, interference and lack of independence of national sports associations contrary to international sports governing body regulations, existence of numerous national sports associations regulating a single sports discipline, disputes and wrangles, wastage and mal-administration of the affairs and funds of national sports associations and federations.

The lack of a single piece of legislation regulating the incorporation and registration of national sports associations and federations has resulted in little or no oversight by the National Council for Sports

since the requirements for registration and incorporation under the different laws are different, thereby resulting in different obligations being imposed on the different national sports associations and federations under the relevant laws under which they are incorporated.

3. Remedies

This Bill there seeks to—

- (a) consolidate and update the law on incorporation and registration of national sports associations and federations;**
- (b) regulate the operation and administration of national sports associations and federations and community sports clubs;**
- (c) regulate the raising, funding and management of national and representative teams;**
- (d) to codify the obligations of the State under international sports governing statutes;**
- (e) create sports tribunals for purposes of determining sports disputes; and**
- (f) to prohibit various vices prevalent today in sports administration including doping, violence and hooliganism, manipulation of sports results, dealing with counterfeit sports products, unauthorized use of sports results in betting as well as abuse of the commercial rights of national sports associations and federations.**
